Carl H. Anderson, 54 Dies Unexpectedly at Insurance Co. Meeting

Had Just Been Re-elected to Presidency of Group at Millburn

Only a few minutes after he had presided at the historic 100th anniversary meeting of the Millburn Mutual Insurance Co. and had been re-elected its president, Carl H. Anderson, Millburn, died late Tuesday afternoon at the Millburn Congregational church.

The meeting had ended and a few of the members of the organization were visiting in the basement of the church.

"I feel a pain in my chest," Mr. Anderson commented to Robert Denman, secretary of the company. Then he fell forward unconscious.

Dr. Irving Breakstone and the Antioch Rescue Squad were summoned and the inhalator was administered with what seemed to be success. Then as the first aid squad placed Mr. Anderson on a stretcher to take him by ambulance to a hospital, he expired. Death was the result of a heart attack.

At Millburn 34 Years

Carl M. Anderson, 54, was born July 16, 1900 in Waukegan and moved to Millburn 34 years ago where he operated a dairy farm. He was a member of the Millburn Congregational church and served on the board of trustees of that church 18 years. He was past master of the Millburn Masonic lodge No. 127, and treasurer of the Millburn Temple association which is planning a new lodge temple. He was also a member of the Millburn cemetery board.

Mr. Anderson was elected president of the Millburn Mutual Insurance Co. in 1952 and re-elected three times since. He and other officers chosen at the meeting Tuesday were planning the centennial celebration of the insurance company for March 12.

Funeral Service Friday

Surviving are the wife, Beatrice; three brothers, Eric, Philip, both of Millburn, and Edward of Phoenix, Ariz.; three sisters, Mrs. Carrie Irving, Salem, Wis.; Mrs. Anna Lossman, Waukegan; and Miss Margaret Anderson, Millburn.

The funeral service will be held at 2 p. m. tomorrow (Friday) in the Millburn Congregational church with the Rev. L. H. Messersmith officiating. Interment will be in Millburn cemetery.

Friends may call until noon Friday at the Strang Funeral home.

Eloy Anderson Sets Record with 707 Pins in Major L. Bowling

What is believed to be the highest bowling score in league play in Lake county this year was marked up by Eloy Anderson, who led his team, Keulman's Jewelry Store to victory over Antioch Lumber and Coal Co. in Friday night Major league with a 707 total.

Anderson, a manager of the alleys bowled games of 257, 214, and 236. It was the highest series bowled in the new Recreation lanes in competitive bowling.

Keulman Jewelry had a high team series of 2,922 pins, with games of 957-874 and 1,091 in beating Antioch Lumber two games.

King's Drug Store beat Feyerabend's 3 games; Fox Trucking beat Wills Tavern three games, Miller's Insurance beat Rausch Bros. two games, and Hunt's Service Station beat Four Aces two games.

135 Attend Annual Lions Club Dinner at Elks Club, Waukegan

It was a very nice party. This was the comment on every and by the 135 members of the Lions Club and their wives and friends following the annual dinner held this year at the Elks club in Waukegan.

During the serving of the roast-duck dinner the Clark Rovers, a professional musical group from Chicago provided entertainment.

Homer La Plant served as master ceremonies in introducing the new officers of the club and those from they succeeded. The new president, Harold Cardiff, then presented past officers pins to the retiring president, Atty. Ted Larson; secretary Norman S. Jelede; and treasurer, Elmer Baethke. Larson was the response.

The remainder of the evening was spent in dancing to the music of Art Jalek's orchestra. The ladies presented corsages.

Mothers March Tonight

Antioch women will participate for the first time tonight in the Mothers' March of Dimes at Antioch homes. The blowing of the fire and rescue squad sirens, the ringing of church bells, at 7 p. m. will notify the public that the women are "on the march." Porch lights are to be turned on to welcome the solicitors for donations to the polio fund. Those who cannot be at home at the time are asked to leave their donations with neighbors or send them to Chairman Dr. Charles Solar.

McKinney Replaces Hughes on Rte. 3; Latter Serves 27 Yrs.

Lee McKinney has replaced Oliver Hughes as carrier of rural route No. 3 out of the Antioch postoffice in the Channel lake area.

Hughes was relieved of his duties on an order from the postal department at Washington, D. C. after he wrote a strong letter of criticism to the third postmaster general on the way he is operating the service in this community. No criticism was made of Postmaster Kufalk who is on orders from the higher-ups.

Hughes has been employed in the local office 27 years, five of which have been in rural delivery. Postmaster Kufalk says he has a good record.

Since his discharge on Jan. 12 Hughes has been working a 3 to 11 p. m. shift in a Waukegan industrial plant.

Firemen Fight Blaze in Near Zero Cold at Loon Lake Cottage

With the temperature hovering around zero, Antioch firemen fought a blaze that destroyed most of the summer cottage of Joe Redici in the Minto subdivision of East Loon Lake Tuesday night.

The firemen were in the midst of a business meeting at the fire station when the alarm sounded at 9 p. m. and they were soon on their way with two tank trucks.

The fire had a good start in the frame building and before it was brought under control it had gutted the interior.

Cause of the blaze is not known to Fire Chief Edgar Simonsen who said the building had been boarded for the winter and was not occupied. The electricity was still turned on, however, and it is possible that a short might have occurred. The alarm was turned in from the Red Arrow restaurant five blocks south of the residence on Deep Lake rd.

Chief Simonsen estimated the value of the building at \$3,000 and the loss at \$2,000.

Blowtorch Causes Fire

A blowtorch used in thawing a water pipe set fire to the Robert Lynch residence at 17 Prospect Dr., Channel Lake bluff Monday evening. The Antioch department had to cut a hole in the kitchen wall to get to the blaze inside the wall. Chief Edgar Simonsen said the loss would be about \$400.

Lack Sportsmanship (An Editorial)

In addition to the basketball trophy, the schools in the Northwest Conference are competing for a sportsmanship trophy. At games the schools rate each other as to sportsmanship of team, cheerleaders, and crowd. Our crowd is consistently rated very low; we're well on our way to winning the booby prize.

Although the team, in a sense, belongs to the student body, the adults are the biggest offenders in the bad-sportsmanship department. They don't cooperate with the cheerleaders and they don't seem to care what they say or who they shout it at.

The student body and faculty are very much concerned about this unsportsmanlike behavior. In a recent interview, Coach Scott remarked, "Our crowd is one of the worst in the conference. If the coach of our team feels this way, don't you think it's about time for the crowd to curb their tempers and their tongues and show what good sports they can be if they really try?"

Legislative Branches To Do Redistricting And Unite On One Bill

Senator Robert McClory who will speak tomorrow night in a public meeting sponsored by the American Legion Auxiliary at the Legion hall, predicted today that the state legislature will plan redistricting by allowing the house to fix the house districts and the senate the senatorial districts.

The reapportionment amendment approved by the voters is perplexing the legislators, he said.

The previous simple formula of 51 districts from which one senator and three representatives were elected has been replaced by a formula so complicated it took months of explanation by constitutional experts in order for the voters to understand what they were voting upon.

The present (69th) Illinois General Assembly is given initial responsibility for establishing the boundaries of the 58 Senate Districts, and 59 House Districts which will replace the 51 districts under which the state has operated since 1902. If the General Assembly fails to reach an agreement a bipartisan commission appointed by the Governor will be given 120 days to perform the job. If they, too, fail, all candidates for the legislature will have to run at large, i. e. throughout the entire state.

"It should be recalled," McClory said, "that the new House Districts are to be formed on the basis of population. In establishing the new Senate Districts, area is to be of prime consideration."

The present discussion will be limited to the creating of the Senate Districts.

The amendment requires that there be 18 Senate Districts in Chicago (the same as at present), 6 Senate Districts in Cook County, outside of Chicago (replacing the whopping 7th District), and 34 "Downstate" Senate Districts (two more than the present 32). Within this formula of 18, 6 and 34, the districts are supposed to be established primarily on the basis of area.

Funeral in Antioch for Harriet E. Stanton, 81, Aunt of Gov. Stratton

Mrs. Harriet E. Stanton, 81, Wilson rd., Ingleside, aunt of Gov. William G. Stratton, died Thursday, Jan. 20 at St. Theresa hospital in Waukegan where she was admitted Dec. 29.

Mrs. Stanton was born Nov. 19, 1873 at Fremont Center, the daughter of the late John and Mary Stratton. She lived all but nine years of her life at Ingleside.

She attended Miss Holcomb's school at Rockefeller, now Mundelein, and upon completion taught at Gavin and Grass Lake schools.

Surviving are four sons, Charles A., John H., Raymond F., Frank T., all of Ingleside, a daughter, Mrs. Maude Stickels of Libertyville, a brother, John Stratton, and a sister, Maisie Dibble, Lake Villa. There are six grandchildren and five great grandchildren as her descendants.

She was preceded in death by a son, Martin, and two brothers, William J. Stratton and Charles A. Stratton.

The funeral service was held at 1:30 p. m. Monday at Strang's Funeral home with the Rev. David K. Fison of the Ingleside Community Methodist Church officiating. Burial was in Fox Lake cemetery.

Jim Can't Sing and Wrestling Is Poor on Radio, So Dr. Solar Will Pinch Hit on Polio Broadcast

Nine County village presidents will make radio appearances Saturday, for the benefit of the March of Dimes.

They'll be on hand at WKRS some time between 7:15 a. m. and 4:45 p. m. Saturday to answer "Reasonable Requests" from persons calling in to contribute to the polio fund.

Those officials scheduled to appear are Mayor Coulson of Waukegan, Macrowski of North Chicago, and Fleming of Zion; and Village Presidents Francis Berry of Libertyville; George Anttonen of Round Lake; Michael Reimers of Grayslake; Gordon Gilling of Gurnee; and Charles Schwartz of Round Lake Beach. Dr. Charles Solar, chairman of the Antioch March of Dimes campaign will represent Antioch during the broadcast.

William J. Holt Dies; Funeral Saturday at St. Peter's Church

William J. Holt, Sr., 47, a resident of Channel lake, died at 11:10 p. m. Tuesday at the Lake County General hospital. He had been ill for many weeks.

A resident of the Antioch community for 20 years, he was born Feb. 3, 1907 in Chicago. He was a telegrapher for the Postal Telegraph company.

Mr. Holt was a member of St. Peter's Catholic church.

Surviving are the wife, Dorothy, a daughter, Mrs. Dorothy Laursen, Antioch; two sons, James A. and William, Jr., both of Antioch; the parents, Frank and Andella Holt, Antioch; a brother, Frank J. Holt, McHenry; and a grandchild.

The funeral will be held at 10:30 a. m. Saturday from St. Peter's church, with burial at Mt. Carmel cemetery. Friends may call after 7 p. m. today.

\$200 Taken at Recreation

Police are seeking a man who is accused of taking \$200 last Thursday night from the Antioch Recreation on Rte. 173 west of Antioch. Eloy Anderson, the manager told deputies that he closed the building at 5:45 for supper and later that night he discovered the money missing.

To Speak In Antioch

Senator Robert McClory, Lake Bluff, will give a public address under the sponsorship of the American Legion Auxiliary at 8 p. m. tomorrow (Friday) in the Legion hall. His subject will deal with Illinois legislation, and he will give inside information on matters that will come before the assembly.

Antioch Beats Grant, Grayslake; Will Play At Wauconda Friday

Sequoits Continue Pace with Palatine and League Leaders 8-1

Antioch High School's varsity basketball team ran rough shod over Grayslake and Grant during the past week.

The Sequoits won from Grayslake here Friday night 71 to 49 and over Grant at Ingleside Tuesday night 67 to 40.

Tomorrow night Coach Dick Scott's warriors will go to Wauconda for a second round with the Bulldogs, who had trouble in defeating Grayslake Tuesday night.

A postponed non-conference game with Richmond will be played here Tuesday evening.

The Palatine Pirates handicapped by the recent suspension of several players in a disciplinary move, kept pace with the Sequoits as leaders of the Northwest conference.

Coach Scott said the overall team offense was still not the best that Antioch is capable of in the game Friday with Grayslake, and the press was not as effective as the week before.

Grayslake, on the other hand has shown improvement and it was only in the last quarter Tuesday that Wauconda was able to beat the Rams, considered a weak team.

Ben Floyd with 26 points and Mike Haviland with 20 points were high point men for Antioch, while for Grayslake Moran was high with 16 points.

Death Necessitates Call Of Special Election

It will be necessary for the Millburn Mutual Insurance Co. to call a special meeting within the next two weeks to elect a successor to the late Carl Anderson who died unexpectedly at the annual meeting Tuesday. At that time John Wirtz, Mundelein; Frank Cremin, Lake Villa; and Emmet King, Wadsworth, were elected directors; Robert Denman succeeds his father, J. S. Denman as secretary, and Carl Hughes was re-elected treasurer. J. S. Denman had served as secretary since 1916.

Antioch People In Accident

Police Chief Louis Krec said that Robert H. Babe, of Indian Point had been charged with illegal passing following a three-car collision on Rte. 12 between the bridges at Fox Lake Tuesday night. A woman giving Antioch as her address was pried from the wreckage of one car and taken to a hospital in Waukegan.

Two Great Facts

It has been said that the most effective answer to communist propaganda is an American mail-order catalogue.

The catalogue, in this connection, is a symbol—a symbol of what the American system of free enterprise has done for the living standards of the people.

According to the American Economic Foundation, a Russian worker, reading the catalogue, "would see that an American worker can buy a shirt with one hour's earnings (instead of the Russian's 22 hours), a suit or overcoat with three days' earnings (instead of 47 days), and a pair of shoes with one day's earnings (instead of 12 days)."

If that Russian worker had an opportunity to walk into a typical American retail store he wouldn't be able to believe his eyes. The abundance would seem an illusion. And so would the fact that the goods on display are offered at prices within the means of the masses of people, not just a few.

The Foundation also observed that Marx' theory that mass production leads to unemployment and impoverishment of the masses is upset by two facts: "The first fact . . . is that mass production is impossible without mass consumption, and that mass consumption is impossible without an increase in the material welfare of the masses. The second fact is that mass consumption brings economic freedom to the masses."

Every American retail outlet is an example of those facts.

"New Set of Rules"

According to a feature article in U. S. News & World Report of Dec. 17, "a whole new set of rules for the transportation industry" is now taking shape in the Administration.

Generally speaking, it seems, these rules, if they become law, will involve more stress on competition between carriers, "and an end of trying to shield one group from competition of others." As an example, carriers would be given much more freedom in establishing rates. Either railroads, trucks or airlines could reduce rates at will to meet competition.

The pending new policy, as U. S. News describes it, is of a sweeping nature and it is inevitable that there will be differences of opinion within and without the transportation industry as to what is wise and what isn't. But, all in all, it certainly looks like an admirable effort to take a long-needed step in the right direction. Our existing policy was pretty largely set up in the days when the railroads had a virtual monopoly, and doesn't reflect the enormous changes that have taken place since then.

In the U. S. News account, two particularly significant statements appear. The first is: "Rigid control, it is said, keeps railroads from making the

most of their 'inherent advantage'—ability to more increased freight at little increase in cost, by adding cars, lengthening trains." The second is: "A major argument for the new policy is that railroads should be strengthened for war needs."

From Ranch to Table

Pork used to be the consumer's favorite meat in this country. But two years ago beef took over the leadership, and its sales now lead those of pork by a substantial margin.

We Americans have, happily, become conditioned to having any cut of beef available whenever we want it. All we have to do is walk to the butcher shop and make our choice. Nothing is simpler. But the production and distribution machine which sees to it that those cuts of beef are waiting for us is far from simple.

A feature story in a recent issue of Life shows the major steps involved in getting beef to the consumer. It observes, "To satisfy the demand for more and better-grade beef the meat industry has evolved a complicated but smooth flowing production line." First comes the rancher, who sells his steers to an agency man. Then they are sold to the feeder, who keeps them on concentrated rations for five or six months, during which time they gain two pounds a day. Next the commission man enters the picture, buying the fattened steers and selling them to the packers. Packers butcher and process the meat, and then it goes to the retailer, the final link in the chain between ranch and dining table.

Life says, "Each handler is at the mercy of constantly changing prices caused by fluctuations in supply and demand all along the line." As in any competitive enterprise, there is plenty of risk for the participants. But the job is done—day in and day out, with peak efficiency and economy.

The Low Down From Hickory Grove

Amongst the things that the political gentry of the land could paste in its hat is that business goes places under a reasonable rein.

Over a course of years—20 or so—new laws hampering and complicating initiative have poured from state house capitols and city halls and the Big Top in Spendville-by-the-River. Village and town slap on USE and SALES taxes. A free America is not the right word any longer. All kinds of Govt. has out-grown its place. Govt. controls many things to the detriment of the average citizen. Govt. would have its hands full, as Edison said, with the army, navy and the courts, allowing and encouraging the citizens to make their own bed. Govt. says how many acres per farmer per season per what, of corn or peanuts. If Jefferson or Franklin could hear about it, they would not believe it was their America. Govt. is at the switchboard in many a powerhouse—at the oil and gas wells telling the owners when to start or stop the pumps.

And now at the turn of a new year comes the time to say if we want the same or a lessening of interference. Time to speak up, I say. Anybody agreeing hereto or herewith—if he chooses—might nudge his mayor or congressman, or somebody. It could pay right smart dividends, perchance.

Yours with the low down,

P.T.A. Council Dinner at Grant High School Next Tues. Evening

The Lake County Council of Parents and Teachers of which Antioch P. T. A. Clubs are members, will hold its annual Founders Day dinner at 8:30 p. m. February 2 at Grant Community High School.

Mrs. Oliver Anderson of the Grant P. T. A. is chairman.

Mrs. Russell Oplinger, past president of the Illinois Congress of Parents and Teachers, will be the guest speaker. Her subject will be "Past, Present and Future."

All local units are invited to bring high school students as guests who plan to teach. The Grass Lake P. T. A. will take Howard Ballwanz and Carol Cervenka, and the Antioch unit will take Ruth Kufalk, Louise Portalski, and Shirley Oilschlager.

Reservations may be made with Mrs. Francis Burke by calling Antioch 825-R1. The deadline is Jan. 28.

Freshman Representative

DeKalb-Gall Pederson of Lake Villa has been elected freshman representative to the Assembly committee at Northern Illinois State Teachers College. A graduate of Antioch Twp. High school, she is the daughter of Mr. and Mrs. Irvin Pedersen of Petite Lake. The Assembly committee at Northern handles all incoming programs on the entertainment series.

Catholic Women Will Meet in North Chicago

Lake District of the Archdiocese Council of Catholic Women will hold its regular meeting of the winter series at 2 p. m., Feb. 9, at Holy Family parish, North Chicago. Mrs. Richard Hedberg, Lake Villa, district president, will preside.

This meeting is part of a series of 20 in Cook and Lake counties.

"Highlights from the convention of the National Council of Catholic Women" will form the subject of the address Mrs. Peter Joyce, 8027 S. Ada, Chicago, archdiocesan president, will give as guest speaker.

Other speakers include Very Rev. Msgr. Thomas J. Fitzgerald, executive director, and Rev. Joseph J. Howard, assistant.

Rev. G. P. Ballweber, pastor of St. Mary's, Buffalo Grove, and district adviser, will bring a message to the delegates.

The Rev. P. J. Cameron, host pastor, will give the address of welcome. Mrs. Lee Plewa, North Chicago, is host president. She is in charge of registrations with Mrs. T. Barry Fitzgerald, Lake Forest, district vice president.

ACCW is currently engaged in a number of spiritual works, intellectual pursuits, charitable projects and civic and community endeavors.

CUB SCOUT NEWS

The January meeting of Antioch Cub Scout Pack 92 was held on Friday, Jan. 21, at the American Legion hall. A peak attendance of 46 Cub scouts and 59 parents was extremely gratifying.

Program for the evening consisted of community singing and several parent participation games. This was followed by induction of new Cub Scouts as Bobcats by means of a candlelight ceremony and presentation of various promotional awards.

Entertainment presented by each den featured the Cub Scout theme of the month—"Railroading." Songs, skits and displays all contained material concerning phases of the subject. The meeting was then adjourned to enjoy refreshments of cocoa and doughnuts.

At the present time, several new applications have been received from boys in the Felter's Subdivision area and formation of a new den is being withheld pending receipt of other applications from that vicinity to meet the minimum den membership requirement. Also, in view of the extremely large enrollment for the ensuing year, volunteers of additional committee members would be welcomed. For further information, contact Charles R. Smith, Antioch 849-J-1.

TONI D'AMBROSE HONORED AT BIRTHDAY DINNER

Mrs. Celia D'Ambrose of Channel Lake entertained at a surprise party Saturday evening honoring her daughter, Toni, in the celebration of her sixteenth birthday anniversary.

300 Communities Celebrated First Brotherhood Day

WASHINGTON — In the year 1934, some 300 communities in the United States shook off the doldrums of the then current depression long enough to observe something called Brotherhood Day. The observance caused only a ripple of response in the participating communities and it received virtually no national recognition. But to a group of men and women banded together in an organization known as the National Conference of Christians and Jews, that day in April 1934 was exciting and inspirational. And in Denver, Colorado, a Catholic priest, Monsignor Hugh McMenamin was seeing the fulfillment of an idea he had almost casually proposed to the National Conference, two years previously.

Those who worked to promote that first Brotherhood Day saw it become a full week's observance in 1940, and four years later, more than 2,000 communities, among which, for the first time every state was included, celebrated Brotherhood Week. Today the annual observance has taken on all the character of an American institution with more than 10,000 communities participating. Since 1940, the Brotherhood Week dates have always been the full week that includes Washington's Birthday; this year, February 20-27.

Although Brotherhood Week is now a definite part of the American scene, it is a paradox that comparatively little is known about its sponsor, the National Conference of Christians and Jews.

The National Conference of Christians and Jews with a professional staff of experts in the field of human relations is a non-profit organization, well in the background performing its task of fighting prejudice and bigotry through a vast network of community organizations, religious groups, educational institutions, labor-management groups, and all forms of mass-media of communication.

Long Shot Pays Bold Bandit Well

NEW ORLEANS — A long shot paid off to the tune of \$14,500 for a bandit who robbed a branch bank and then fled into the crowd at nearby Fair Grounds Race Track, where he apparently slipped away despite an intense man hunt among 5,000 racing fans.

Officers said the robber must have escaped from the track before they could cordon it off. A search of the grounds and check of all persons leaving the track proved fruitless.

The holdup man, described as about 30, robbed the Gentilly branch of Hibernia National Bank. As the alarm sounded, a visitor from Rhode Island, Mrs. Gerda Sheridan, saw the bandit hop into a car with two money bags "and a lot of people after him."

Mrs. Sheridan followed in her own car. She said that a hay wagon blocked the bandit's car near the race track. He ran the car into a ditch and jumped out and headed onto the track.

Mrs. Sheridan ran to the gate and told an attendant there had been a holdup and then ran to a nearby bar to call police.

Slick Seats—Not Icy Streets Get Blame

LOUISVILLE, Ky.—Traffic officers are used to having accident victims blame it all on slick streets, but a 16-year-old driver came up with a new excuse here—slick seats.

That was his excuse for crashing into a telephone pole.

"I wasn't going too fast," the youth told Patrolman Victor Geller, "And the slick street didn't bother me. I've got new seat covers, and when I turned the curve I slid on them—all the way out of the driver's seat."

The impact broke the telephone pole in half and disrupted phone service on six lines for about an hour.

Hoppy Put Slight Cramp in Dock Strike

SYDNEY, Australia — Hopalong Cassidy put a slight crimp in an Australian waterfront strike during his recent visit.

Sydney dockers agreed to unload 10,000 "Hopalong Cassidy Good Luck Medals" from the freighter Ventura for distribution by the Western film star (William Boyd).

Boyd was welcomed by 1,000 men, women and children, some from cattle ranches hundreds of miles away, on his arrival in Darwin.

Uses Wrong Method

DALLAS—A judge gave Leslie Johnson, 35, five years in jail for his method of "collecting" \$9 damages to his car after a minor collision.

Testimony said Johnson got out and settled the ensuing argument by drawing a pistol and persuading the other driver to hand over \$9.

First Residents in Knollwood Subdivision

Mr. and Mrs. Carl Weiss, natives of Copenhagen, Denmark, were the first family to take residence in the new Knollwood Subdivision recently annexed to Antioch on the north. Shown here with their pet parakeet and Chihuahua dog, they keep busy in retirement by finishing and outfitting their home which they purchased as a shell. Childhood friends and of seafaring families, the two did not marry until they came to this country—he in 1902 and she in 1912.

Mr. and Mrs. George Borovicka sent word to relatives from Clearwater, Fla., where they went a week ago, saying that it has been too cold down there to do much fishing as they had planned. They expected to be away two weeks.

Grass Lake scouts, Brownies and parents enjoyed a skating party on the channel at the George Latham home last Sunday, Jan. 23. The party was sponsored by the Grass Lake troop, and barbecues, hot coffee and hot chocolate were served.

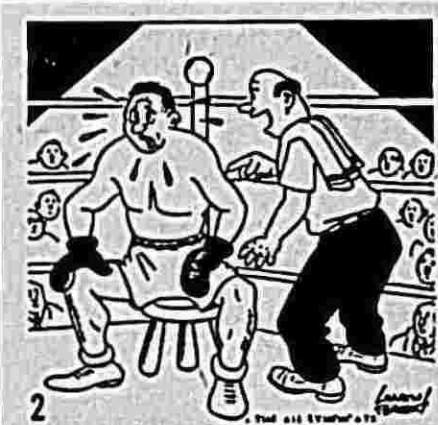

Change of Heart

ST. LOUIS — Joe Johnson, 28-year-old service station attendant, reported this incident to deputy sheriffs.

An old car drove up to his station, a man pointed a shotgun at him, and demanded money be handed to his woman accomplice. Johnson handed over \$30.

The woman hesitated momentarily, then suddenly shoved the money back to Johnson.

"This isn't right, honey," she said to the bandit.

"You're run down... what you need is a good motor tune-up at POLZE BROS. SERVICE STATION!"

Earl Syes, 51, Dies Unexpectedly at Trevor Burial at Springfield

Earl R. Syes, 51, a resident of Camp Lake Gardens, Trevor, died at 5:50 p. m. Sunday at his home. He had spent the afternoon ice fishing and fell dead shortly after arriving home.

Mr. Syes had been in ill health for 3½ years and had retired from his regular occupation.

He was born Feb. 18, 1903 in Iowa, Kans., and lived at Springfield, Decatur, and Blue Island, Ill., before coming to Trevor four years ago. He was a member of the Brotherhood of Railway and Steamship Clerks union, local No. 2064, Chicago, having worked as a railway express baggage man.

Mr. Syes was a member of the Silver Lake Baptist church.

Surviving are the widow, Eva, two sons, William H., a sailor, and Samuel R. at home, and a daughter, Mary Louise, also at home. Also mourning his death are three brothers, Ernest and Virgil of Springfield, Ill., and Casper, Waterloo, Ia., and a sister, Mrs. Pearl Hollos, Springfield.

The body was taken to Springfield for burial.

Women of the Moose Announce Forthcoming Events for the Chapter

The Antioch Chapter No. 735, of the Women of the Moose held its business meeting last Thursday, Jan. 20, and voted in favor of two new candidates to be initiated at the next meeting, Feb. 3, at the Moose lodge.

The Moose lodge is having a St. Patrick's dance on Thursday, March 17, and the Mooseheart committee is serving a corned beef and cabbage dinner between 6:30 and 8:30 by reservation only. Since this date should be the business meeting for the chapter, Senior Regent Mrs. F. Kennedy, Jr., will write to Mooseheart for special dispensation advancing that meeting to Thursday, March 24.

All of the elected officers as well as the Argus, Sentinel and three chairmen will represent Antioch Chapter at the Mid-Winter conference in Waukegan Sunday, Jan. 30.

Senior Regent Kennedy offered a suggestion to the chairmen and their committees that the chapter purchase a cedar chest to be awarded at the annual spring dance sponsored by the Women of the Moose in May.

The officers of the chapter have taken on a project of their own which consists of selling advertising space atop a card table which will, if completed within two weeks, provide the Chapter with 12 new card tables.

Library Chairman Mrs. L. Himens told the Chapter that her committee had sent 40 scrapbooks down to Mooseheart which are being used in Boy Scout work. The Mooseheart committee is planning a style show sometime in spring but details have not been worked out yet. The Mooseheart committee is planning a style show sometime in spring but details have not been worked out yet. The ritual committee entertained several co-workers at a brunch given in Mrs. Good's home on Wednesday, Jan. 26.

The ritual committee is also planning a few games after the last meeting in February.

Refreshments were served by the Child Care chairman and her committee.

Dairy Herd Improvement Group Elects Officers Hears Testers' Reports

The Lake County Dairy Herd Improvement Association held its annual meeting Thursday night, Jan. 20, at the Farm Bureau hall in Grayslake. Robert Paddock served as chairman of the meeting. The following directors were elected to represent the four associations and the four different districts of the county:

Association 1, Harry Powis, Gurnee

Association 2, Layton Hubbard, Grayslake

Association 3, Ben Sargent, Round Lake

Association 4, Anthony Hertel, Grayslake

District 1, Tom Moorman, Lake Villa

District 2, Dwayne Stiehr, Gurnee

District 3, Lawrence Salesman, Wauconda

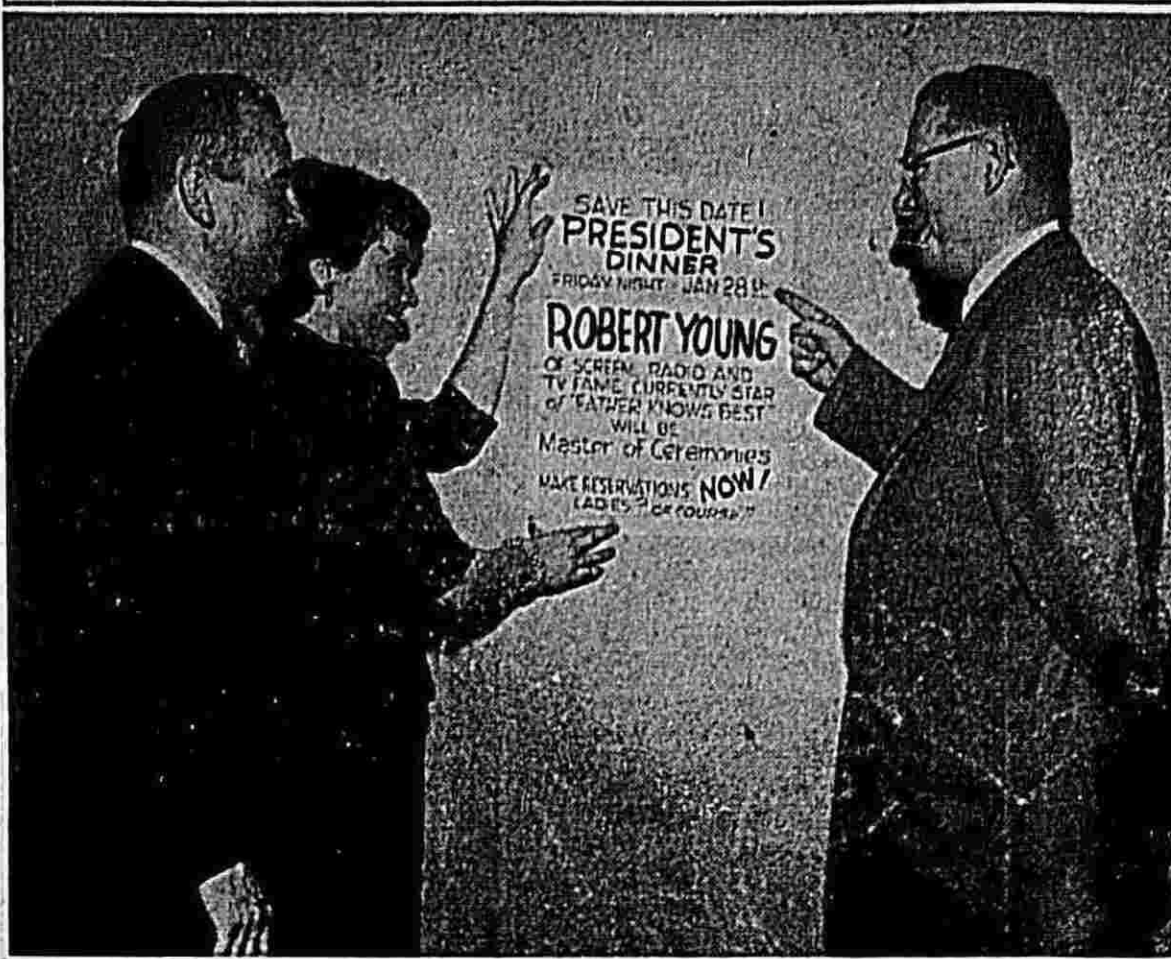

District 4, Ralph Clark, Libertyville

At the close of the meeting the directors met and elected Layton Hubbard as president and Dwayne Stiehr secretary-treasurer.

This year's meeting was one of the best attended meetings the association has held in recent years.

Following the testers' reports, extension specialist, Leo Fryman discussed a new record keeping system for D. H. I. A. members. Mr. Fryman also commented on the owner-sampler system of testing in which herd owners do their own sampling and weighing. The testers merely determine the butterfat tests. Fryman did not favor this system unless at least 80 co-operators could be obtained in Lake county. At the present time, there are approximately 90 herds on regular official D. H.

Lake Villa Resident To Receive Press Club Honor

Jere Hagen, left, a resident of Lake Villa, will be guest of honor tomorrow evening at the fifth annual president's dinner of the Chicago Press Club in that city. Hagen is retiring as president of the organization which he served the past year while employed as Sunday editor of the Chicago American. With him here are Miss Mary Chambre, office secretary of the Press club, and George Brandenburg, club vice president.

I. A. tests, according to Farm Adviser Ray T. Nicholas.

There is still an opportunity for a few more dairymen to enroll in the regular D. H. I. A. testing service. Fryman pointed out that as a result of the D. H. I. A. testing program 405 herds in Illinois are now averaging \$1,512.00 returns above feed cost over what they would have had they not been in the testing service. The average butterfat production stands at 387 pounds per cow compared to 316 pounds when the dairymen first enrolled. The average cow in Lake county produces only 250 pounds of butterfat and offers its owner nothing more than companionship.

To conclude the meeting, Farm Adviser Ray T. Nicholas showed a motion picture of the 1954 International Livestock show in Chicago. A number of Lake county cows were among the top selections of the show.

State Senator Reports

by
State Senator Robert McClory

The 69th Illinois General Assembly promises to be a session packed full of politics. In thus describing the current session, the term "politics" has little connection with the law-making processes of our legislature, or the statesmanship qualities we like to associate with our state senators and representatives.

The Republican state administration, in promoting a legislative program for the public good, is making the record upon which the Republican governor and other officials will wage a political campaign in 1956.

The democratic legislators will deem it good "politics" to block the administration program.

The Senate Republican majority of 32 to 19 is sufficient to push through the governor's "must" bills, but the House majority of one vote is both narrow and deceptive. The nominally Republican members of the so-called "West-Side Bloc" will desert their Republican colleagues whenever it serves their purpose so to do. They have been personae non grata in the governor's office, and he will have very little influence in securing their votes.

Resolve Political Jealousies

The political tensions and jealousies between the governor and most of the other Republican legislators will be resolved out of sheer necessity. The governor is a cordial and friendly man and conciliatory where his own party is concerned. But there will be no compromising with the Democrats. They will have to accept the consequences of blocking a Republican-sponsored legislative program.

No sooner had the members been sworn in than a series of Democratic-sponsored measures were introduced. Four Democratic senators proposed that the Toll Highway commission should be "investigated." A similar Democrat-sponsored "protest" of the Toll Highway law was filed in the House. Thus, local concern about the "route" of the proposed toll road in Lake county, which has received the attention of Governor Stratton and of the writer, is transformed into political fodder.

Chicago Politics in Picture

Chicago "politics" is even determining the dates for holding legislative sessions. For instance, there will be a two-week adjournment in February to accommodate the Chicago mayoralty primary. Again in April our law-makers will take a protracted holiday in order to participate in the municipal elections.

Predictions indicating that the 69th General Assembly will be unproductive are probably well grounded. With politics playing a controlling part in the major legislative proposals, the opportunities for constructive law-making and genuine statesmanship will be quite limited.

In 1955, the American Junior Red Cross will send 100,000 gift boxes and 200 cases of school supplies to South Vietnam in Indo-China as part of the relief operations for refugees in that area.

If you have wondered how people lived during Christ's time on earth, A. C. Bouquet's "Everyday Life in New Testament Times" has the answers. He tells us of the food they ate, the houses they lived in, their clothing, schools and places of worship. Many of the habits of the Eastern Mediterranean world were similar to modern times, even to the widespread use of lipstick! The reader will be surprised to discover how much a part of the Roman Empire Palestine was and how greatly this relationship influenced everyday life. The frequent illustrations enhance the value of the book to scholar or general reader.

The great naturalist, John Muir, first became fascinated with the wonders of nature in Wisconsin's Fox River Valley. In the seventy-six years of his life, he covered most of the American wilderness alone and on foot, without a gun, without a sleeping bag, with only a sackful of stale bread and tea. The high points of John Muir's life were the exploration of Yosemite Valley and his efforts to convince the administration of the great importance of a national conservation program. Edwin Way Teale has culled his story from John Muir's journals and named the book "The Wilderness World of John Muir."

The above books were presented to the Antioch Township Library in memory of Mrs. Nanna Hahn.

Antioch Holstein Cow Gives 28 Qts. of Milk

Brattleboro, Vt. — With 18,853 pounds of milk and 673 pounds of butterfat to her credit, Durkdale Sue Senator Ormsby, a registered Holstein-Friesian cow owned by Robert L. Hunter, Antioch, Ill., has completed a 317-day production test in official Advanced Registry.

She was milked 2 times daily, and was 7 years 5 months of age when she began her testing period.

Her record averages approximately 26 quarts of milk daily for the period covered by her test.

Testing was supervised by the University of Illinois, in cooperation with the Holstein-Friesian Association of America.

Einar Sorenson, 67, Died in Florida Home; Body Brought to Antioch

Funeral services were held at 1 p. m. Monday at the Strang Funeral home for Einar Sorenson, 67, former resort operator at Channel lake, who died Friday morning in Sebastian, Florida, after suffering a heart attack at his home.

The Rev. Edmond Hood of St. Ignace's Episcopal church officiated. Burial was at Hillside cemetery.

Mr. Sorenson was born March 12, 1887, in Hossens, Denmark, and at the age of 2 years came with his parents to the United States where the family settled in Chicago. While a young man he came to Lake county to reside.

Sorenson was active in politics, having served as chairman of the Democratic Central Committee from 1930 to 1940. He operated Sorenson's resort on Channel lake from 1928 to 1945.

During the mid 1930's he was an unsuccessful Democratic candidate for Congress from the 13th district.

He served two years in the merchant marine during World War II. Since moving to Florida about 10 years ago, he has operated an orange grove business near Sebastian.

Surviving are two sons, Edward, a fur buyer, who operates a bait stand in Antioch, and Raymond, school custodian, and one daughter, Mrs. Eleanor Nixon of Galesburg, Ill. His wife, Eva, preceded him in death July 22, 1946.

Also surviving are five brothers and a sister, none from this area, and four grandchildren.

It's time wasted to whitewash a character that couldn't be saved even with a heavy coat of enamel.

Approximately one out of every 157 men, women, and children in this country served as a volunteer with the American Red Cross during 1953-54, contributing a total of 19,000,000 man-hours to helping others.

The Lake County Council of Parents and Teachers of which Antioch P. T. A. Clubs are members, will hold its annual Founders Day dinner at 6:30 p. m. February 2 at Grant Community High School.

Mrs. Oliver Anderson of the Grant P. T. A. is chairman.

Mrs. Russell Oplinger, past president of the Illinois Congress of Parents and Teachers, will be the guest speaker. Her subject will be "Past, Present and Future."

All local units are invited to bring high school students as guests who plan to teach. The Grass Lake P. T. A. will take Howard Ballwanz and Carol Cervenka, and the Antioch unit will take Ruth Kufalk, Louise Portalski, and Shirley Oilschlager.

Reservations may be made with Mrs. Francis Burke by calling Antioch 825-R1. The deadline is Jan. 28.

Freshman Representative

DeKalb-Gail Pederson of Lake Villa has been elected freshman representative to the Assembly committee at Northern Illinois State Teachers College. A graduate of Antioch Twp. High school, she is the daughter of Mr. and Mrs. Irvin Pedersen of Petite Lake. The Assembly committee at Northern handles all incoming programs on the entertainment series.

Catholic Women Will Meet in North Chicago

Lake District of the Archdiocese of Council of Catholic Women will hold its regular meeting of the winter series at 2 p. m., Feb. 9, at Holy Family parish, North Chicago. Mrs. Richard Hedberg, Lake Villa, district president, will preside.

This meeting is part of a series of 20 in Cook and Lake counties.

"Highlights from the convention of the National Council of Catholic Women" will form the subject of the address Mrs. Peter Joyce, 8027 S. Ada, Chicago, archdiocesan president, will give as guest speaker.

Other speakers include Very Rev. Msgr. Thomas J. Fitzgerald, executive director, and Rev. Joseph J. Howard, assistant.

Rev. G. F. Ballweber, pastor of St. Mary's, Buffalo Grove, and district adviser, will bring a message to the delegates.

The Rev. P. J. Cameron, host pastor, will give the address of welcome. Mrs. Lee Plewa, North Chicago, is host president. She is in charge of registrations with Mrs. T. Barry Fitzgerald, Lake Forest, district vice president.

ACCW is currently engaged in a number of spiritual works, intellectual pursuits, charitable projects and civic and community endeavors.

CUB SCOUT NEWS

The January meeting of Antioch Cub Scout Pack 92 was held on Friday, Jan. 21, at the American Legion hall. A peak attendance of 46 Cub scouts and 59 parents was extremely gratifying.

Program for the evening consisted of community singing and several parent participation games. This was followed by induction of new Cub Scouts as Bobcats by means of a candlelight ceremony and presentation of various promotional awards.

Entertainment presented by each den featured the Cub Scout theme of the month—"Railroading." Songs, skits and displays all contained material concerning phases of the subject. The meeting was then adjourned to enjoy refreshments of cocoa and doughnuts.

At the present time, several new applications have been received from boys in the Felter's Subdivision area and formation of a new den is being withheld pending receipt of other applications from that vicinity to meet the minimum den membership requirement. Also, in view of the extremely large enrollment for the ensuing year, volunteers of additional committee members would be welcomed. For further information, contact Charles R. Smith, Antioch 849-J-1.

TONI D'AMBROSE HONORED AT BIRTHDAY DINNER

Mrs. Celia D'Ambrose of Channel Lake entertained at a surprise party Saturday evening honoring her daughter, Toni, in the celebration of her sixteenth birthday anniversary.

A fried chicken dinner was served to 20 guests. A bouquet of 16 roses was the centerpiece decoration of the table.

Toni is a student at the Maria High School in Chicago and many of the guests she had not seen since they were schoolmates in grade school three years ago.

Guests from Chicago were Patricia Ourabnik, Nancy Bilek, Jack Patzke, Frank Nosek, Edward Howe, and Tommy Gurny. Antioch guests were Joan Haydon, Barbara Hohnwald, Barbara Domek, Mary Ellen Tully, Frank Walsh, Tom Kelly, Tom Hakey, Bob Enise, and Al Herman. Guests from Channel Lake were Wayne Swanson, Al Reckers, Jack Lawrence, and Ray Van Patten.

The Red Cross Blood Program serves about 3,500 hospitals throughout the country, providing the total blood supply for over 2,000 hospitals and supplementing blood supplies of the other 1,500.

300 Communities Celebrated First Brotherhood Day

WASHINGTON — In the year 1934, some 300 communities in the United States shook off the doldrums of the then current depression long enough to observe something called Brotherhood Day. The observance caused only a ripple of response in the participating communities and it received virtually no national recognition. But to a group of men and women banded together in an organization known as the National Conference of Christians and Jews, that day in April 1934 was exciting and inspirational. And in Denver, Colorado, a Catholic priest, Monsignor Hugh McMenamin was seeing the fulfillment of an idea he had almost casually proposed to the National Conference, two years previously.

Those who worked to promote that first Brotherhood Day saw it become a full week's observance in 1940, and four years later, more than 2,000 communities, among which, for the first time every state was included, celebrated Brotherhood Week. Today the annual observance has taken on all the character of an American institution with more than 10,000 communities participating. Since 1940, the Brotherhood Week dates have always been the full week that includes Washington's Birthday; this year, February 20-27.

Although Brotherhood Week is now a definite part of the American scene, it is a paradox that comparatively little is known about its sponsor, the National Conference of Christians and Jews.

The National Conference of Christians and Jews with a professional staff of experts in the field of human relations is a non-profit organization, well in the background performing its task of fighting prejudice and bigotry through a vast network of community organizations, religious groups, educational institutions, labor-management groups, and all forms of mass-media of communication.

Long Shot Pays Bold Bandit Well

NEW ORLEANS — A long shot paid off to the tune of \$14,500 for a bandit who robbed a branch bank and then fled into the crowd at nearby Fair Grounds Race Track, where he apparently slipped away despite an intense man hunt among 5,000 racing fans.

Officers said the robber must have escaped from the track before they could cordon it off. A search of the grounds and check of all persons leaving the track proved fruitless.

The holdup man, described as about 30, robbed the Gentilly branch of Hibernia National Bank. As the alarm sounded, a visitor from Rhode Island, Mrs. Gerda Sheridan, saw the bandit hop into a car with two money bags "and a lot of people after him."

Mrs. Sheridan followed in her own car. She said that a hay wagon blocked the bandit's car near the race track. He ran the car into a ditch and jumped out and headed onto the track.

Mrs. Sheridan ran to the gate and told an attendant there had been a holdup and then ran to a nearby bar to call police.

Slick Seats—Not Icy Streets Get Blame

LOUISVILLE, Ky.—Traffic officers are used to having accident victims blame it all on slick streets, but a 16-year-old driver came up with a new excuse here—slick seats.

That was his excuse for crashing into a telephone pole.

"I wasn't going too fast," the youth told Patrolman Victor Geger. "And the slick street didn't bother me. I've got new seat covers, and when I turned the curve I slid on them—all the way out of the driver's seat."

The impact broke the telephone pole in half and disrupted phone service on six lines for about an hour.

Hoppy Put Slight Cramp in Dock Strike

SYDNEY, Australia — Hopalong Cassidy put a slight crimp in an Australian waterfront strike during his recent visit.

Sydney dockers agreed to unload 10,000 "Hopalong Cassidy Good Luck Medals" from the freighter Ventura for distribution by the Western film star (William Boyd).

Boyd was welcomed by 1,000 men, women and children, some from cattle ranches hundreds of miles away, on his arrival in Darwin.

Uses Wrong Method

DALLAS—A judge gave Leslie Johnson, 35, five years in jail for his method of "collecting" \$9 damages to his car after a minor collision.

Testimony said Johnson got out and settled the ensuing argument by drawing a pistol and persuading the other driver to hand over \$9.

First Residents in Knollwood Subdivision

Mr. and Mrs. Carl Weiss, natives of Copenhagen, Denmark, were the first family to take residence in the new Knollwood Subdivision recently annexed to Antioch on the north. Shown here with their pet parakeet and Chihuahua dog, they keep busy in retirement by finishing and outfitting their home which they purchased as a shell. Childhood friends and of seafaring families, the two did not marry until they came to this country—he in 1902 and she in 1912.

Mr. and Mrs. George Borovicka sent word to relatives from Clearwater, Fla., where they went a week ago, saying that it has been too cold down there to do much fishing as they had planned. They expected to be away two weeks.

Grass Lake scouts, Brownies and parents enjoyed a skating party on the channel at the George Latham home last Sunday, Jan. 23. The party was sponsored by the Grass Lake troop, and barbecues, hot coffee and hot chocolate were served.

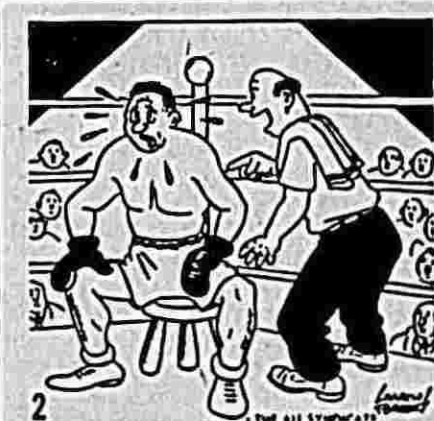

Change of Heart

ST. LOUIS — Joe Johnson, 28-year-old service station attendant, reported this incident to deputy sheriffs:

An old car drove up to his station, a man pointed a shotgun at him, and demanded money be handed to his woman accomplice. Johnson handed over \$30.

The woman hesitated momentarily, then suddenly shoved the money back to Johnson.

"This isn't right, honey," she said to the bandit.

"You're run down... what you need is a good motor tune-up at POLZE BROS. SERVICE STATION!"

Earl Syes, 51, Dies Unexpectedly at Trevor, Burial at Springfield

Earl R. Syes, 51, a resident of Camp Lake Gardens, Trevor, died at 5:50 p. m. Sunday at his home. He had spent the afternoon ice fishing and fell dead shortly after arriving home.

Mr. Syes had been in ill health for 3½ years and had retired from his regular occupation.

He was born Feb. 18, 1903 in Iowa, Kans., and lived at Springfield, Decatur, and Blue Island, Ill., before coming to Trevor four years ago. He was a member of the Brotherhood of Railway and Steamship Clerks union, local No. 2064, Chicago, having worked as a railway express baggage man.

Mr. Syes was a member of the Silver Lake Baptist church.

Surviving are the widow, Eva, two sons, William H., a sailor, and Samuel R. at home, and a daughter, Mary Louise, also at home. Also mourning his death are three brothers, Ernest and Virgil of Springfield, Ill., and Casper, Waterloo, Ia., and a sister, Mrs. Pearl Hollos, Springfield.

The body was taken to Springfield for burial.

Women of the Moose Announce Forthcoming Events for the Chapter

The Antioch Chapter No. 735, of the Women of the Moose held its business meeting last Thursday, Jan. 20, and voted in favor of two new candidates to be initiated at the next meeting, Feb. 3, at the Moose lodge.

The Moose lodge is having a St. Patrick's dance on Thursday, March 17, and the Mooseheart committee is serving a corned beef and cabbage dinner between 6:30 and 8:30 by reservation only. Since this date should be the business meeting for the chapter, Senior Regent Mrs. F. Kennedy, Jr., will write to Mooseheart for special dispensation advancing that meeting to Thursday, March 24.

All of the elected officers as well as the Argus, Sentinel and three chairmen will represent Antioch Chapter at the Mid-Winter conference in Waukegan Sunday, Jan. 30. Senior Regent Kennedy offered a suggestion to the chairmen and their committees that the chapter purchase a cedar chest to be awarded at the annual spring dance sponsored by the Women of the Moose in May.

The officers of the chapter have taken on a project of their own which consists of selling advertising space atop a card table which will, if completed within two weeks, provide the Chapter with 12 new card tables.

Library Chairman Mrs. L. Himens told the Chapter that her committee had sent 40 scrapbooks down to Mooseheart which are being used in Boy Scout work. The Mooseheart committee is planning a style show sometime in spring but details have not been worked out yet. The Mooseheart committee is planning a style show sometime in spring but details have not been worked out yet. The ritual committee entertained several co-workers at a brunch given in Mrs. Good's home on Wednesday, Jan. 26.

The ritual committee is also planning a few games after the last meeting in February.

Refreshments were served by the Child Care chairman and her committee.

Dairy Herd Improvement Group Elects Officers Hears Testers' Reports

The Lake County Dairy Herd Improvement Association held its annual meeting Thursday night, Jan. 20, at the Farm Bureau hall in Grayslake. Robert Paddock served as chairman of the meeting. The following directors were elected to represent the four associations and the four different districts of the county:

- Association 1, Harry Powis, Grunee
- Association 2, Layton Hubbard, Grayslake
- Association 3, Ben Sargent, Round Lake
- Association 4, Anthony Hertel, Grayslake
- District 1, Tom Moorman, Lake Villa
- District 2, Dwayne Stiehr, Grunee
- District 3, Lawrence Salesman, Wauconda
- District 4, Ralph Clark, Libertyville.

At the close of the meeting the directors met and elected Layton Hubbard as president and Dwayne Stiehr secretary-treasurer.

This year's meeting was one of the best attended meetings the association has held in recent years.

Following the testers' reports, extension specialist, Leo Fryman discussed a new record keeping system for D. H. I. A. members. Mr. Fryman also commented on the owner-sampler system of testing in which herd owners do their own sampling and weighing. The testers merely determine the butterfat tests. Fryman did not favor this system unless at least 80 co-operators could be obtained in Lake county. At the present time, there are approximately 90 herds on regular official D. H.

Lake Villa Resident To Receive Press Club Honor

Jere Hagen, left, a resident of Lake Villa, will be guest of honor tomorrow evening at the fifth annual president's dinner of the Chicago Press Club in that city. Hagen is retiring as president of the organization which he served the past year while employed as Sunday editor of the Chicago American. With him here are Miss Mary Chambre, office secretary of the Press club, and George Brandenburg, club vice president.

I. A. tests, according to Farm Adviser Ray T. Nicholas.

There is still an opportunity for a few more dairymen to enroll in the regular D. H. I. A. testing service. Fryman pointed out that as a result of the D. H. I. A. testing program 405 herds in Illinois are now averaging \$1,512.00 returns above feed cost over what they would have had they not been in the testing service. The average butterfat production stands at 387 pounds per cow compared to 316 pounds when the dairymen first enrolled. The average cow in Lake county produces only 250 pounds of butterfat and offers its owner nothing more than companionship.

To conclude the meeting, Farm Adviser Ray T. Nicholas showed a motion picture of the 1954 International Livestock show in Chicago. A number of Lake county cows were among the top selections of the show.

State Senator Reports

by State Senator Robert McClory

The 69th Illinois General Assembly promises to be a session packed full of politics. In thus describing the current session, the term "politics" has little connection with the law-making processes of our legislature, or the statesmanship qualities we like to associate with our state senators and representatives.

The Republican state administration, in promoting a legislative program for the public good, is making the record upon which the Republican governor and other officials will wage a political campaign in 1956.

The democratic legislators will deem it good "politics" to block the administration program.

The Senate Republican majority of 32 to 19 is sufficient to push through the governor's "must" bills, but the House majority of one vote is both narrow and deceptive. The nominally Republican members of the so-called "West-Side Bloc" will desert their Republican colleagues whenever it serves their purpose so to do. They have been personae non grata in the governor's office, and he will have very little influence in securing their votes.

Resolve Political Jealousies

The political tensions and jealousies between the governor and most of the other Republican legislators will be resolved out of sheer necessity. The governor is a cordial and friendly man and conciliatory where his own party is concerned. But there will be no compromising with the Democrats. They will have to accept the consequences of blocking a Republican-sponsored legislative program.

No sooner had the members been sworn in than a series of Democratic-sponsored measures were introduced. Four Democratic senators proposed that the Toll Highway commission should be "investigated." A similar Democrat-sponsored "protest" of the Toll Highway law was filed in the House. Thus, local concern about the "route" of the proposed toll road in Lake county, which has received the attention of Governor Stratton and of the writer, is transformed into political fodder.

Chicago Politics in Picture Chicago "politics" is even determining the dates for holding legislative sessions. For instance, there will be a two-week adjournment in February to accommodate the Chicago mayoralty primary. Again in April our law-makers will take a protracted holiday in order to participate in the municipal elections.

Predictions indicating that the 69th General Assembly will be unproductive are probably well grounded. With politics playing a controlling part in the major legislative proposals, the opportunities for constructive law-making and genuine statesmanship will be quite limited.

In 1955, the American Junior Red Cross will send 100,000 gift boxes and 200 cases of school supplies to South Vietnam in Indo-China as part of the relief operations for refugees in that area.

If you have wondered how people lived during Christ's time on earth, A. C. Bouquet's "Everyday Life in New Testament Times" has the answers. He tells us of the food they ate, the houses they lived in, their clothing, schools and places of worship. Many of the habits of the Eastern Mediterranean world were similar to modern times, even to the widespread use of lipstick! The reader will be surprised to discover how much a part of the Roman Empire Palestine was and how greatly this relationship influenced everyday life. The frequent illustrations enhance the value of the book to scholar or general reader.

The great naturalist, John Muir, first became fascinated with the wonders of nature in Wisconsin's Fox River Valley. In the seventy-six years of his life, he covered most of the American wilderness alone and on foot, without a gun, without a sleeping bag, with only a sackful of stale bread and tea. The high points of John Muir's life were the exploration of Yosemite Valley and his efforts to convince the administration of the great importance of a national conservation program. Edwin Way Teale has culled his story from John Muir's journals and named the book "The Wilderness World of John Muir."

The above books were presented to the Antioch Township Library in memory of Mrs. Nanna Hahn.

Antioch Holstein Cow Gives 28 Qts. of Milk

Brattleboro, Vt. — With 18,853 pounds of milk and 673 pounds of butterfat to her credit, Durkdale Sue Senator Ormsby, a registered Holstein-Friesian cow owned by Robert L. Hunter, Antioch, Ill., has completed a 317-day production test in official Advanced Registry.

She was milked 2 times daily, and was 7 years 5 months of age when she began her testing period. Her record averages approximately 26 quarts of milk daily for the period covered by her test.

Testing was supervised by the University of Illinois, in cooperation with the Holstein-Friesian Association of America.

Einar Sorenson, 67, Dies in Florida Home; Body Brought to Antioch

Funeral services were held at 1 p. m. Monday at the Strang Funeral home for Einar Sorenson, 67, former resort operator at Channel Lake, who died Friday morning in Sebastian, Florida, after suffering a heart attack at his home.

The Rev. Edmond Hood of St. Ignace's Episcopal church officiated. Burial was at Hillside cemetery.

Mr. Sorenson was born March 12, 1887, in Hossens, Denmark, and at the age of 2 years came with his parents to the United States where the family settled in Chicago. While a young man he came to Lake county to reside.

Sorenson was active in politics, having served as chairman of the Democratic Central Committee from 1930 to 1940. He operated Sorenson's resort on Channel Lake from 1928 to 1945.

During the mid 1930's he was an unsuccessful Democratic candidate for Congress from the 13th district.

He served two years in the merchant marine during World War II. Since moving to Florida about 10 years ago, he has operated an orange grove business near Sebastian.

Surviving are two sons, Edward, a fur buyer, who operates a bait stand in Antioch, and Raymond, school custodian, and one daughter, Mrs. Eleanor Nixon of Galesburg, Ill. His wife, Eva, preceded him in death July 22, 1946.

Also surviving are five brothers and a sister, none from this area, and four grandchildren.

It's time wasted to whitewash a character that couldn't be saved even with a heavy coat of enamel.

Approximately one out of every 157 men, women, and children in this country served as a volunteer with the American Red Cross during 1953-54, contributing a total of 10,000,000 man-hours to helping others.

Your '54 Income Tax

By Ernest J. Sauber
District Director of Internal Revenue

The Income Tax filing period has begun. Every citizen or resident of the United States, whether an adult or minor, who had \$600 or more gross income in 1954 must file. In case you are 65 years of age or over you are required to file if you had gross income of \$1200 or more. The dates of filing are from January 1, through April 15, 1955.

It is wise to file early. At least begin the preparation of your return as soon as possible. The 1954 Internal Revenue Code, our new tax law, has made many changes affecting the individual taxpayer, which require attention and study.

Getting the information together is the big part of the job. You may find that all is not readily available. An early start will give you more time to become acquainted with the new tax law and to hunt up those hard-to-find items.

As District Director of Internal Revenue for this Northern District of Illinois, it is a pleasure to announce that the employees of my office will again be assigned to certain locations to render as much assistance to the public as needed for filing their income tax returns. There is no charge for this assistance which is given by well qualified agents.

The Northern District of Illinois is comprised of the twenty-six northern counties of Illinois. In Chicago, assistance may be obtained in Room 1, United States Court House, Dearborn and Adams streets, and at the eight division offices maintained at strategic points in the local communities. Due to limitation of space, no service will be available for preparation of tax returns at the Headquarters Office, 22 West Madison st., Chicago.

In the area outside of Chicago, there are eight division offices with 32 branch offices, where taxpayers may receive assistance.

Please make note of the address of the office most conveniently located for your purposes and make

use of the facilities provided.

Payment of your tax may be made at 22 West Madison st., Chicago, Ill., as well as at the old postoffice building, Waukegan the office is open from 8:30 a. m., to 5:00 p. m., Mondays through Fridays, inclusive.

CHILDREN AS DEPENDENTS. This article deals with children as dependents.

This new tax law permits more liberal treatment of children as dependents.

Parents can now stop worrying about losing an exemption when their children earn \$600 or more in a year. Whatever the child earns, you the parent may still claim him as a dependent, if the child is under 19 or in school, and you provide full or chief support.

Child Under 19. Under the old law a parent could not claim a \$600 exemption for any child who earned \$600 or more dur-

ing the year. Under the new law the child may earn as much as he can and may be claimed as a dependent, if he is under 19 years of age provided the parent contributes chief or full support.

Child Over 19 Attending School. If the child is over 19 he may earn over \$600 and still be claimed as a dependent provided he is a full time student in a school or college for at least five calendar months of the year. Of course, in this case also, the parent must provide chief or full support.

A child under 19 or a student who earns over \$600, even though he may be claimed as a dependent, is required to file a tax return of his own, and claim his own exemption.

Qualifications of School. A child over 19 attending school qualifies as a dependent if the

school or college he attends is an educational institution with a regular faculty and a body of students in attendance; if he is a full time student during each of five calendar months of the calendar year in which your taxable year begins; and you as the parent furnish chief or full support.

A correspondence school, employee training course, or on-the-job-training do not qualify. However, on-the-job training qualifies if it is supervised by an instructor of an educational institution or a state or political subdivision of a state.

G. I. bill payments made to students for tuition and subsistence must be taken into account to determine chief support, but scholarships received while attending school are not treated as support to the student.

EDDIE the EDUCATOR
says

Driver training costs, but safety pays. The life saved may be your own—or your child's.

What's new with Chevrolet...
everything!

Here are just a few of the features that make the 1955 Chevrolet an utterly new kind of car. It is a low-cost car, with low-cost gasoline economy and maintenance. But in everything else it rivals the finest—in styling, handling ease, riding comfort, acceleration, the full luxurious range of power assists and drive options. Call us—today—for the most eye-opening drive you'll ever take.

8

New 162-h.p. "Turbo-Fire V8" engine has ultra-short stroke, 8 to 1 compression ratio.

Sweep-Sight windshield gives safer wide-angle view.

Tubeless tires are standard on all models, offer more protection against blowouts.

6

New "Blue-Flame 123" engine has six-cylinder economy, better cooling and lubrication.

Powerglide automatic transmission now offers smoother shifts, has more durability.

Glass area is up to 18 per cent greater so all passengers get a broader panorama.

New "Touch-Down" Overdrive transmission reduces engine speed 22 per cent.

Bodies are wider inside, with more room for hips, hats and shoulders, both front and rear.

Glide-Ride front suspension with spherical joints gives softer flexing over bumps.

New interior fabrics in two-tone combinations harmonize with exterior colors.

12 VOLTS

12-volt electrical system gives easier winter starting, higher voltage for all speeds.

HOTCHKISS
DRIVE

HOTCHKISS DRIVE lets rear springs absorb acceleration and braking thrusts and lowers the center of gravity.

New linkage-type Power Steering (extra-cost option) is applied directly to steering linkage for more positive action.

*

35 COLORS
and
COMBINATIONS

35 colors and combinations. A rainbow-full of 14 solid colors and 21 two-tone combinations.

High-level ventilation intake at base of windshield picks up cleaner air above road fumes.

Low-level luggage compartment has sill almost flush with the floor for easy loading.

6

New "Blue-Flame 136" engine teams with Powerglide automatic transmission.

Front tread is broader for greater stability on the road.

"Outrigger" rear springs are set wider apart to resist body-roll, permits lower frame.

P-POWER

Lighted indicator dial in instrument cluster shows which range of Powerglide automatic transmission is engaged.

Anti-Dive braking control checks tendency of front end to nose-down during fast stops, keeps car "heads up."

Lower center of gravity provides greater stability on curves, better road-holding.

Over-all height is cut as much as 6 inches without any sacrifice of headroom for passengers.

ALL 4

All 4 fenders are visible to the driver for use as guides in parking, traffic driving.

Larger fan pulls more air but turns nearly one-third slower for reduced engine noise level.

Ball-Race steering is smoother, takes less muscle to turn.

Rear window corners are squared to give broader, safer view.

Red tell-tale lights flash warning when oil pressure or generator charge drops too low.

Central glove compartment is handier for the driver.

Swing-type brake and clutch pedals permit draft-free seating of passenger compartment.

PUBLIC SERVICE COMPANY

There's a new zip to Dynaflow*

— and better gas mileage to boot!

This is something you really ought to try.

Even though you may be familiar with earlier versions of Dynaflow Drive—either from personal experience or from hearsay—you owe it to yourself to press the pedal of a 1955 Buick with Variable Pitch Dynaflow.

Just as simple as ever to operate—easier, in fact, with the new positioning of the lever.

Just as smooth as ever, with nary a lag, halt or hesitation throughout the speed range.

But brother!—hang on to your hat when you call for action!

Because that's what you get, instantly.

Because twenty power blades inside the very heart of this wondrous automatic transmission switch their pitch for getaway performance—much like the airplane's propeller is angled for take-off.

It's as simple as that—but far more thrilling than words can tell.

And it's a big boon to your gasoline money, too. For, just as the plane's propeller changes

pitch aloft for greater fuel efficiency in cruising, so the Dynaflow "propellers" change pitch to deliver a lot more miles per gallon in normal driving and cruising.

Come in and try it—this week. You'll find it harnessed to the highest V8 horsepowers in Buick history—and housed in the bold new styling that says Buick and nothing but.

*Dynaflow Drive is standard on Roadmaster, optional at extra cost on other Series.
